

# Teens!

Christ the King Parish is known for its amazing, world-changing youth. Many young men and young women have found the Youth Group of Christ the King a great place to meet friends, to relax from life's stresses, and to learn how our faith can bring a treasure of resources and hope for our lives. You can be a part of this group. It's yours.

Come to a getting-started-again meeting on  
**Wednesday, December 3<sup>rd</sup> in Morgan Hall, 6:30pm**  
Pizza, salad, and drinks will be served.  
A fun evening of activities will follow.

This will be your chance to make this group your own with your suggestions and inspirations. It is also a chance to meet new friends, meet the new Youth Minister and others from the Youth Ministry Team.

You can just show up. You can bring a friend or friends.

## Introducing Our New Youth Minister

Stephen Tumolo comes to us after spending thirteen years in New Mexico. There he worked with teens as a Pastoral Associate at a thriving Catholic parish, as a theology teacher in Albuquerque's only Catholic High School, as a wrestling coach, and as an Outreach Minister for teens in trouble with the law. He also developed a ministry to incarcerated men in the County Detention Center. He has returned home to his South Jersey roots.

Steve is speaking at all the masses this weekend. Please introduce yourself to him so that he can experience your welcome and you can experience his.
